## Alamo AFCEA 2018 Teacher Grant Application

1819 N. Main Ave | San Antonio, Texas 78212 | 210.489.0100 | [www.sacscobee.org](http://www.sacscobee.org)

In partnership with the Alamo AFCEA Chapter, the Scobee Education Center at San Antonio College will be awarding a **\$500 Teacher Grant** to a certified San Antonio educator. This grant will go towards supporting a teacher in grades K-8 with an innovative STEM project that creates a collaborative environment in the classroom. The project must clearly and creatively integrate technology in the students' activities and advance the students' learning in a STEM related area. The grant award can be used to support a new or existing project that is being updated or expanded. This can be for an in classroom project or extracurricular activity.

Applicants must have attended the Out in Space, Down to Earth Educator Conference on March 3, 2018 and be approved by your principal or lead administrator to carry out project with students.

**Deadline to submit is March 23, 2018.**  
**Award winner will be announced on April 6, 2018.**

Go to <https://tinyurl.com/STEMgrantOIS> to apply.  
Submit applications to Jennifer Becerra at [jbecerra6@alamo.edu](mailto:jbecerra6@alamo.edu)

### **\*Requirements:**

- Must be a certified teacher
- Must have attended the March 3, 2018 Out in Space, Down to Earth STEM Educator Conference
- Project execution must fall within the 2018 calendar year (Spring & Fall)
- Project must cover at least 3 TEKS
- Grant winner must present at the 2019 Out in Space Down to Earth Educator Conference: Presentation can include project findings, video, photos, lessons learned, execution outline, etc.
- A complete application (must have school principal or lead administrator signature in support of this project.) to include:
  - A one-page educator resume that includes any past awards or recognitions
  - Project Budget and any other funding being received for the current project being proposed
