

**Scobee Education Center
Najim Charitable Foundation Grant
2019-20 School Year**

The Scobee Education Center awards Najim Charitable Foundation Grant scholarships to Pre-K through 8th grade Title I classes to provide professional development resources for the teacher and a unique STEM education experience for their students. **Thirty-eight** 4th – 8th grade Challenger missions with a planetarium program and **eight** Pre-K-3rd Grade Micronaut Missions will be awarded. This opportunity remains open until the available funds are awarded.

This grant provides:

⇒ A single Challenger Learning Center mission (\$500) and planetarium program (\$100) for 22-34 4th through 8th grade students.

or

A single Micronaut Mission for 10-20 PreK-3rd grade students and up to 10 parents (\$350)

⇒ A required full day of pre-mission professional development to be held on a Saturday in advance of the student mission.

Required:

- Each individual teacher bringing a class of students is required to complete this application with the registration form and upon being selected must attend a Saturday or afternoon pre-mission training prior to the scheduled mission date. These trainings are specific to the selected missions.
- The funder requires classes must serve **Title I program** students. The school must be designated as Title I.
- Priority is awarded to applications paired with another class at the same school.
- Pre-Registration for partnering ISDs begins August 26, 2019 with open registration occurring Monday, Sept. 30, 2019.
- Each 4th -8th grade teacher agrees to assess his/her students through a post-mission survey to measure mission experience satisfaction, and interest in STEM careers. The Challenger Learning Center will provide the measurement instrument during the pre-mission professional development session.

Teacher: _____

e-Mail Address: _____

School: _____ ISD: _____

School Phone Number: _____ extension: _____

This class is paired with another class at our school.
The name of the teacher for the paired class: _____

This application is accompanied by a registration form for the services requesting funding under this grant application.

By signing this grant application you are certifying that the class being submitted for this grant is in a Title I school and the teacher will attend the Saturday, pre-mission professional development prior to the mission date.

Teacher Signature: _____ Date: _____

Principal Signature: _____ Date: _____
